

南京交通职业技术学院 2021 年留学生招生简章

**NANJING VOCATIONAL INSTITUTE
OF TRANSPORT TECHNOLOGY
2021 INTERNATIONAL STUDENTS PROGRAM**

南京交通职业技术学院隶属江苏省交通运输厅，创办于 1953 年，是新中国成立后江苏首个交通学校，办学历史长，文化底蕴厚。67 年的深厚积淀和创新探索，学校硕果累累：国家汽车维修工种技师、高级技师职业标准及鉴定题库唯一开发单位，国内首个服务全国公路水运工程的基桩检测培训基地，交通运输部支持的华东地区唯一的国家级现代物流实训基地，华东地区唯一的东风标志、东风雪铁龙培训中心，华东地区唯一的长安福特培训中心，直接参与江苏高速公路、跨江大桥、国省干线公路建设的唯一一所高职院，全省公路、汽车行业从业人员职业培训、资格鉴定中心等。学校为江苏交通运输行业输送了 6 万多名高素质技术技能人才，培养了 1000 余名交通土建类企业总工程师、总经理，60% 以上的全省公路交通建设项目经理和技术骨干、60% 以上的全省交通运输系统财务干部、60% 以上的全省汽车 4S 店高级管理人员均来自我校，为江苏打造交通建设品牌工程、交通服务品牌项目提供了重要支撑，被誉为江苏交通运输人才成长的“黄埔军校”。

Established in 1953, Nanjing Vocational Institute of Transport Technology (referred to as NJITT), an affiliate to Jiangsu Provincial Department of Transportation, was the first transportation school after the founding of People's Republic of China. NJITT has a long history and rich cultural heritage. With 67 years' research and innovative exploration,

NJITT has gained great achievements. To name a few, the only develop unit of the state auto maintenance engineer, senior technician's professional standard and appraisal question bank; the first domestic test training base serving the national highway water transportation project; the only national modern logistics training base in eastern China supported by the ministry of transportation; east China only Dongfeng Peugeot, Dongfeng Citroen training center; the only Changan Ford training center in East China; the only vocational college directly involved in the Jiangsu expressway, cross river bridge, national and provincial trunk highway construction; vocational training and qualification center of the employees of the highway and automobile industry in Jiangsu province, etc. NJITT has delivered more than 60 thousand high-quality technical talents for Jiangsu transportation industry, containing 1000 chief engineers and general managers of transportation civil engineering enterprises. 60% project manager and technical backbone of provincial highway traffic construction, financial leaders of the provincial transportation system, senior manager of 4S auto shop of the whole province are graduated from NJITT. The college has contributed a lot to Jiangsu transport construction brand and transportation service brand, known as "Whampoa Military Academy" of Jiangsu transportation personnel training place.

学院设有汽车工程学院、路桥与港航工程学院、运输管理学院、电子信息工程学院、轨道交通学院、建筑工程学院、人文艺术系、继续教育学院和基础教学单位，设置专业 35 个。2005 年学校以优秀等次通过教育部高职高专院校人才培养工作水平评估，2008 年被确定为江苏省示范性高职院校，2010 年牵头组建江苏交通运输职业教育集团，2012 年成为国家教育体制改革试点院校、江苏省高等教育综合改革试点院校。近年来，学校先后荣获省政府高技能人才摇篮奖、省教学工作先进高校、省高校毕业生就业工作先进集体、省文明单位（校园）、省高校思想政治教育工作先进集体等荣誉称号，连续三年入选“全国高等职业院校服务贡献 50 强、国际影响力 50 强”。学校办学主要核心指标和综合实力位居全省高职院校第一方阵。

NJITT is made up of school of automotive engineering, school of road bridge & harbor engineering, school of transportation & management, school of electronic information engineering, school of rail transit engineering school of architectural engineering, department of arts & humanities, school of continuing education and basic teaching units. NJITT sets up 35 professional majors. In 2005 NJITT passed the education of ministry evaluation of higher vocational college with excellent results. In 2008 NJITT became a demonstrative vocational college of Jiangsu Province. In 2010 the college took the leading role to build up the Jiangsu transportation vocational education group. In 2012 the college was honored to be the experimental institution of national education system reform and comprehensive reform of provincial higher education. Recent years NJITT was honored provincial government cradle award for high skilled personnel, provincial excellent teaching college, excellent group of provincial college graduates employment, provincial civilized unit(campus), excellent group of ideological and political education of provincial college and etc,. NJITT was elected as one of “Top 50 Service Contributions and Top 50 International Influence of Higher Vocational College in China”for three years. The main core index and comprehensive strength of the college takes the leading role of the higher vocational college in Jiangsu province.

人才培养目标与特色

Talent Training Objectives and Characteristics

学院秉承“立足交通、以人为本、开放办学”的办学理念和“立足交通，建设特色鲜明、国内一流的交通运输类高职院校”的办学目标，形成了“依托交通、服务交通”的办学特色。

NJITT sticks to the educational concepts of based on transportation, centered on people, and open to the public, carries on the target of based on transportation and turning itself into a top-class domestic vocational institute in transportation with distinct features, thus has been featured by focusing on the industry chain of transportation and provide service to transport industry.

学院全面实行“校企合作、工学结合”的人才培养模式，建有 200 多个校外实训基地，在联合办学、订单培养、学生顶岗实习、综合实践、技术推广与应用、员工培训、毕业生就业等方面和企业展开全面合作。

▶ NJITT carries out “school-enterprise cooperation” and work-study combination talent training mode. NJITT has established 200 off campus training bases to provide training programs in joint education, order-training, internship, comprehensive practice, technology promotion and application, staff training, employment of graduates and so on.

学院专业设置

Academic Programs

Schools 学院	Majors 专业
School of Automotive Engineering 汽车工程学院	Automotive Application and Maintenance Technology 汽车运用与维修技术 Auto Body Repair Technology 汽车车身维修技术 New Energy Automobile Application and Maintenance 新能源汽车运用与维修 Automobile Marketing and Service 汽车营销与服务
School of Road Bridge & Harbor Engineering 路桥与港航工程学院	Road and Bridge Engineering Technology 道路桥梁工程技术 Port and Waterway Engineering Technology 港口与航道工程技术 Municipal Engineering Technology 市政工程技术 Project Cost 工程造价 Urban Rail Transportation Engineering Technology 城市轨道交通工程技术
School of Transportation Management 运输管理学院	Accounting 会计 Logistic Management 物流管理 Customs and Foreign Trade Service 关务与外贸服务 Flight Attendant 空中乘务 Urban rail transit operation and management 城市轨道交通运营管理
School of Rail Transit Engineering 轨道交通学院	Urban Rail Transportation Communication Signal Technology 城市轨道交通通信信号技术 Urban Rail Transportation Mechanical and Electronic Technology 城市轨道交通机电技术 Urban Rail Transportation Vehicle Technology 城市轨道交通车辆技术 Mechanical and Electronic Integration Technology 机电一体化技术 Construction Machinery Application Technology 工程机械运用技术 Construction Machinery Application and Maintenance 工程机械运用与维护
School of Electronic Information Engineering 电子信息工程学院	Computer Network Technology 计算机网络技术 Software Technology 软件技术 Electronic Information Engineering 电子信息工程技术 Applied Electronic Technology 应用电子技术 Communication Technology 通信技术 Digital Media Design 数字媒体设计与制作 Intelligent Transportation Technology Application 智能交通技术运用
School of Architectural Engineering 建筑工程学院	Construction Engineering Technology 建筑工程技术 Project Cost 工程造价 Architectural Decoration Engineering Technology 建筑装饰工程技术 Interior Design 建筑室内设计 Landscape Engineering Technology 园林工程技术
Department of Arts & Humanities 人文艺术系	Visual Communication Design 视觉传播设计与制作 Interior Art Design 室内艺术设计

招生专业 *Adimission Profession*

▶ 专业：关务与外贸服务

主干课程：国际货运代理理论与实务、国际贸易实务、国际货物运输与组织、报关实务、进出口商品检验检疫实务、外贸单证实务。

就业前景：报关员、国际货代员、单证员、跟单员等。

Customs and Foreign Trade Service

Core Curriculum: international freight forwarding theory and practice, international trade practice, international freight transportation and organization, customs declaration practice, import and export commodities inspection and quarantine practice, foreign trade documents practice

Employment Direction: Customs Specialist, international freight forwarder, documentation clerk, merchandiser etc

► 专业：计算机网络技术

主干课程：信息安全技术、网络安全设备配置、逆向破解技术、WIFI 与数据存储技术信息安全、网络互联技术、局域网管理、虚拟化与云计算、Linux 操作系统管理、Java 信息安全技术、高级路由交换、网络工程与布线技术、动态网页设计等。

就业前景：网络系统设计、施工与运行维护，网络管理与网络安全防范、IT 服务支持等。

► *Computer Network Technology*

Core Curriculum:Information security technology, Network security equipment configuration, Reverse cracking technology, WiFi and data storage technology, Information security, Network interconnection technology, LAN management, Virtualization and cloud computing, Linux operating system management, Java information security technology, Advanced routing technology, Network engineering and wiring technology, dynamic web design, etc.

Employment Direction: Network system design, Construction and operation maintenance, Network management and network security, IT service support, etc.

校园设施 *Campus Facilities*

学院占地 1000 亩，校园环境
优美，文体活动场
地优良。图书馆各类图书 67
万多册，学院固定资产总值
近 13 亿元。

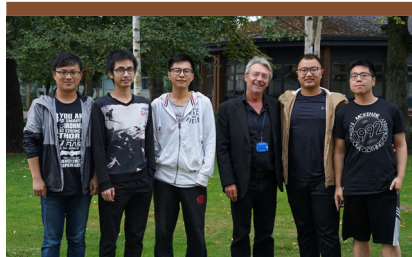

The campus of NJITT covers
an area of 1000 Chinese
acres. The library has a vast
capacity with 670000 copies.
The campus is well equipped
with many kinds of facilities
and they are worth more than
13 billion Yuan.

文化校园 *Corlorful Campus Life*

学院充分利用品牌和专业优势，扩大国际教育合作与交流，成为全球教育联盟 GEC 成员单位，服务中江国际，江苏省交工集团等龙头企业“走出去”开展境外技术服务和培训。在老挝、印尼等东南亚国家、俄罗斯、哈萨克斯坦等中亚国家以及莱索托、尼日利亚等非洲国家招收留学生，和英国考文垂大学开展 1+1+1 专升本升硕项目合作，和马来西亚马拉工业大学开展学生研修交流，提升学院国际化办学水平，服务国家“一带一路”倡议。

NJITT makes full use of brand and professional advantages to expand international education cooperation and exchanges. NJITT has become one of the Global Education Alliance GEC members and has carried out technical service and training with China Jiangsu International Economic-Technical Cooperation and Jiangsu Provincial Transportation Engineering group. NJITT has started to recruit international students in Laos, Indonesia and other Southeast Asian countries, Russia, Kazakhstan and other Central Asian countries, as well as Lesotho, Nigeria and other African countries. NJITT has cooperated with Coventry University in the UK to carry out top-up program, and student research and exchange program with Malaysia UiTM to enhance international education and provide service The Belt and Road initiative.

费用及支出

Fees and Expenditure

学费与住宿费:

1. 专科学历生: 学费 5400 元 / 年, 住宿费 1500 元 / 年。
2. 汉语语言生: 学费 6000 元 / 年, 住宿费 1500 元 / 年

Tuition Fee

1. *Three-year diploma program student* :5400 Yuan/year
2. *One-year Chinese language student*:6000 Yuan/year

Accommodation Fee 1500 Yuan/year

其他费用:

- 书本费: 1000 元 / 年
居留许可费: 400 元 / 年
保险费: 800 元 / 年
体检费: 约 550 元 / 人

Other Expenses

- Book Fee*: 1000 Yuan/year
Resident Permit Fee: 400 Yuan/year
Insurance Fee: 800 Yuan/year
Physical Check: about 550 Yuan/person

* 具体费用照实收取 fees will be charged according to the facts

新生奖学金 Freshman Scholarship

一等奖减免全额学费

二等奖减免半额学费

三等奖减免住宿费

奖学金等级按照入学申请材料评定, 其他类奖学金见《南京交通职业技术学院留学生奖学金评定办法》

First-class scholarship covers full tuition fees.

Second-class scholarship covers half tuition fees.

Third-class scholarship covers accommodation fees.

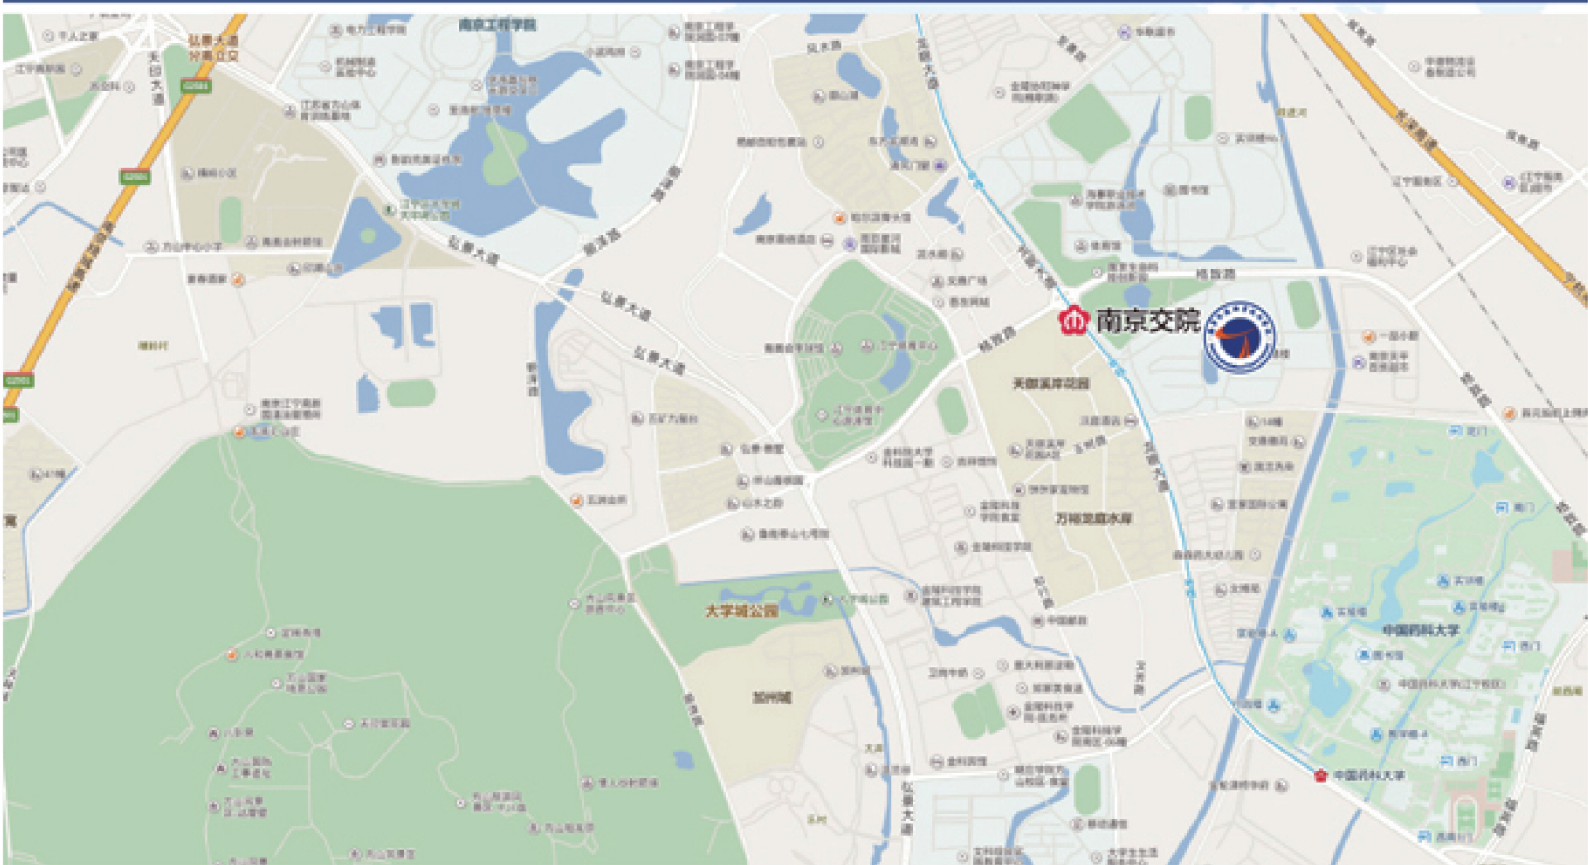

The scholarship is assessed according to the application materials, other types of scholarships refer to the International Student Award Policy of NJIT.

录取条件 *Admission Requirements*

Admission Requirements	
i.	Academic record equivalent to a Chinese high school graduate or above
ii.	Capacity of language learning and communication in English; Transcript in English; Students holding HSK third level or above certificate are preferred
iii.	Interests in Chinese culture, society and economy
iv.	Good self-discipline and interpersonal skills for independent living and studying; Being in good health
v.	Enough Financial support from family or other organizations
国际学生录取要求	
1.	学历等同于中国高中毕业生或以上
2.	英语学习和交流能力; 有英语考试成绩单、持有HSK 第三级或以上证书的学生优先考虑
3.	对中国文化、社会和经济有浓厚兴趣
4.	良好的自律能力和人际关系能力, 能独立生活和学习; 身体健康
5.	家庭或者其他组织个人能负担其在华全部的学习生活费用

生活情况 *Living condition information*

Support for International Students 适用于国际学生	
Accommodation 住宿条件	4 students will share one apartment, well-equipped with facilities for showering and toilet; well-furnished with bed & bedclothes, study desk, wardrobe; self-contained electrical appliances such as air-conditioner, water heater, washing machine and internet. 4个学生合住一套公寓, 设备齐全的淋浴和厕所设施; 配有床和床上用品, 书桌、衣柜; 独立的电器如空调、热水器、洗衣机和互联网。
Public services 公共服务设施	Well Facilities for cooking, kitchen with refrigerator, microwave stove, electromagnetic oven and cookers, dining table; well-furnished activity room with TV set. 配有厨房, 内有冰箱、微波炉、电磁炉、电饭煲、餐桌; 精心布置活动室和电视。
Cost of living 生活费	It varies with each individual. 丰俭各异
